

# GLOSSARY

**Planet Rokar:** Red planet, and also the name of a galaxy. It has two moons: Nruni and Ecosh.

**Nruni:** One of the moons of planet Rokar. Its color is amber.

**Ecosh:** The second moon of planet Rokar. Its color is turquoise.

**Sh'ala:** Twin sister of Mira. Born and grew up on Rokar as a protector-warrior. She is royal. Her parents are the King and Queen of Rokar.

**Mira:** Born on Rokar but grew up on Earth. She is Sh'ala's twin sister. She is royal. Her parents are the King and Queen of Rokar.

**Khatu:** Born at the same time as Mira and Sh'ala. He was enlisted to become a protector-warrior but turned evil and became a demon. He lives in the underworld, Vu'unu.

**Vu'unu:** Name of the place where Khatu lives in the underworld. It means the place of demons, which also means fire/disorder/suffering.

**A'an:** A female demon, created by Khatu. She is the worst of the worst who serves Khatu.

**UxCx:** It is a crystalline material that attracts each other. It can be used for various tasks, but most importantly, to travel between planets. Sh'ala, Mira, and Khatu carry one in their necklaces.

**Master Xukar:** He comes from the lineage of masters on planet Rokar. He is a student of Master Okata and the master of Sh'ala.

**Grandmaster Okata:** One of the older masters who is deceased. He is Master Xukar's master, who conveyed the most sacred knowledge of the ancients to Master Xukar.

**Shavk:** It means "light" in Rokarian. It is a small box with ancient motifs, used for travelling between planets.

**Protector-Warriors:** Warriors who are trained to protect planet Rokar.

**Vloak:** Deadly demon, who attacked planet Rokar to destroy everything.

**Grandmaster Tadoka:** Master Xukar's only apprentice, who became one of the greatest grandmasters in the history of planet Rokar. She is the only grandmaster who used dual broadswords with great mastery.

# GLOSSARY

**Grandmaster Tadoka:** Master Xukar's only apprentice, who became one of the greatest grandmasters in the history of planet Rokar. She is the only grandmaster who used dual broadswords with great mastery.

**Ukhras:** It means "the peacekeeper" in Rokarian. It is also the name of Mira's broadsword, given to her by Grandmaster Tadoka.

**Erment:** Mira's Rokarian boyfriend. He's a protector-warrior.

**Zaxar:** Dog-like animals are called "vuhud", and Zaxar is Sh'ala's vuhud. It is one of a kind, shows some signs of a cat from time to time, male, and is believed to be extinct. He was found as a baby and brought to Master Xukar by the people of Irhunn. Master Xukar named him Zaxar and gifted him to Sh'ala to raise him.

**Vuhud:** dog-like animals of Rokar. Bigger, stronger... they are given to highly trained protector warriors as companions all their lives. They go to war with their vuhuds, where vuhuds become extremely vicious, fighting next to their masters.

**Wazae:** The capital city of Rokarian civilization.

**Ivat:** The name of the people who live in the deserts of Rokar. They have adapted to the harsh desert environment. Some are nomads, some live in specific areas. They don't usually interact with outsiders.

**Vazlukh:** Sacred ceremonial place in the desert where royal babies are initiated into Rokar society.

**Dorexk:** Horse/camel-like animals that Ivats ride for transportation.

**iilo:** Plant, used to make a tea-like drink.

**Loyhuz:** An animal like a dog on Earth.

**Awow:** Soft, thin, smooth, silk-like cloth, which is used to make clothes in Rokar.

**Mount Oznol:** A Mountain from which one of the metals of the protector warriors' sword came.

**Mount Inizu:** The other mountain from which the metal of the protector warriors' sword came.
